

Florida State Guardianship Association's 3rd Annual Ethics Symposium

Please join the Florida State Guardianship Association for our 3rd Annual Ethics Symposium March 11, 2022, starting at 9 AM. FSGA brings ethics in guardianship to the forefront of our educational offerings with our yearly symposium. Our renowned presenters focus on a variety of ethical issues and concepts facing those in the guardianship fields. The Symposium supports our mission of promoting the highest level of professionalism and ethical conduct in our profession. Join us for a half day program where we explore an array of topics on our engaging virtual platform. CEU for Guardians and CLE's have been applied for.

Sign up today at www.floridaguardians.com.

This well attended event is seeking a limited number of underwriters, exposure for our sponsors is an integral part of our creative program. Please visit www.floridaguardians.com to peruse the opportunities and share in this stimulating day of learning with hundreds of guardians, attorneys, care providers, fiduciaries, social workers, nurses, court and clerk staff, and many other disciplines.
